

# 6J December News

Welcome to December,

I hope to see many of you at Parent Teacher Interviews. If you are unable to make it to PTI and would like to talk about how your child is doing in school please email or call.

Please support your child in ensuring they have proper winter wear at school. Students will be outside unless it is colder than -25!

What constellations do you notice in the night sky?

What stars are brighter within those constellations?

What are the phases of the moon?

What phase is the moon currently in? What phase was it before? What phase will it be next?
